Writing for a new generation
How-to's, tips, information and inspiration

HEART CRAFT

By Carolyn R Scheidies

Drafting words takes more
Than talent or skill or art.
It's the imparting of the message,
God has placed upon your heart.

Want to write...

*Letters-to-the editor,
Features and Articles,
Poems, Novels,
Biographies, and more?*

Go from idea to publication. Using simple to understand information and steps, this book shows you how.

Have an idea tumbling around inside your mind,
but have no idea how to get it down on paper?
Have you a hot-button issue you feel led to address,
but have no idea how to find an audience?
Have an experience to share, a book idea you'd like to tackle,
but are frozen with inexperience, confusion?
Maybe you don't know where to find the encouragement and
information needed to guide you
on your journey to publication.

This book might be your answer. It is a slim, easy to read and
assimilate volume with lots of practical, step-by-step assistance,
inspiration and helps along the way.
